

## **West Los Angeles Bird Club Meeting**

**Wednesday, May 10th at 7 PM**

**Deb Stambul, Bird Behaviorist, to Speak**

**Culver City American Legion Hall, 5209 Sepulveda Blvd., Culver City**

The West LA Bird club is lucky to host Deb Stambul, the extraordinary bird behaviorist. Deb has been working with birds for over 20 years; ever since she got her adorable African Grey, Sweetpea, 23 years ago.

Deb has travelled throughout the country studying behavior techniques with several prominent veterinarians. She later went to work for Dr. Frank Lavac who urged her to become a trainer. Deb is a member of the International Association of Avian Trainers and Educators and a member of the International Association of Animal Behavior Consultants.

Deb encourages you to bring your bird to the May 10th meeting along with its favorite treats. You and your avian companion may be lucky enough to have a terrific training session with Deb.
